Jim Ryan  
XYZ Corporation  
1234 Morningside Road  
Augusta, ME 04330

Dear Jim.

I herewith resign my position at XYZ Company.

This company in general is filled with know-nothing moronic blowhards whose chief aim in life is to walk over as many people as possible. You, Jim, are the perfect example of the middle of a daisy chain—always kissing up to the people above you while spraying over the people below. You are the most useless piece of excrement in the universe, the most contemptible living breathing thing I have ever met.

You have no idea what you are doing or how to go about doing it. But you do not need to know how to do anything as long as you can pimp upwards.

You are also the lowest of bullies. Avoiding anyone who might best you, you beat up women emotionally and verbally. You steal from and shamelessly put the make on women, talk down to women, and put women down as loudly and as often as you dare.

If there is a heaven you'll never see it. What you'll see is a hell where women peck your eyes out and tear your flesh to pieces with their bare hands.

No luck to you,

Annul Smith
